

Alternate CPR/First Aid Classes for Child Care Providers

This list includes classes for certification from the American Red Cross, the American Heart Association or other entity approved by the Illinois Department of Public Health (IDPH).

To meet CCAP provider requirements and DCFS Licensing Regulations for CPR and First Aid requirements classes should include first aid, the Heimlich maneuver and infant/child cardiopulmonary resuscitation (CPR) by the American Red Cross or the American Heart Association, or other entity approved by the Illinois Department of Public Health. Classes must be taken in person, no online or blended learning accepted.
