Addressing Challenging Behaviors with School-Age Children

This training will talk about why children exhibit challenging behaviors and how to address those behaviors when they occur. ***Focus will be on school-age children (ages 5-12).***

Audience: Providers working with school age children and youth

Level of Learning: Introductory

Circle of Security-Parenting & Caregiving-Abbreviated: Increasing Positive Attachment in Child Care

Circle of Security-P is a series training consisting of four sessions utilizing an eight-chapter, video, and interactive discussion on an attachment-based approach that helps build caregivers' capabilities to view young children's behavior from a secure base and safe haven perspective and then identify children's needs, challenges, and strengths. This enables caregivers to increase positive attachments with the children in their care which supports positive developmental outcomes for young children.

Audience: Center-Based Child Care Providers

Level of Learning: Intermediate

Strengthening Business Practice for Family Child Care

The Strengthening Business Practices for Centers training addresses basic concepts in fiscal and operational management of child care programs. The purpose of this training is to strengthen childcare provider's foundational knowledge of fiscal terms, concepts, and practices. It encourages providers to realize the importance of fiscal planning to the sustainability of their business operations. It provides tips and best practices in fiscal, organizational, and financial goals and human resource documents in order to help break down the fiscal processes into manageable steps.--This is a 13 hour training that will be broken up into 4 training parts. All four meetings MUST BE attended to receive ANY credit.

Audience: Family Child Care Providers

Level of Learning: Intermediate

The Wheels on the Bus Go Round and Round-The School Age Children Are Here

Does your program provide care for children before and after school, during school breaks, and over the summer? There are many benefits and challenges of caring for school age children but have no fear. It is possible to operate a successful program. School age children have different needs than our younger children and having a plan is essential to keeping your days successful. Let's look at the unique challenges you have and create some strategies for supporting school age children.

Audience: Providers Caring for School Age Children and Youth

Level of Learning: Introductory

CPR/First Aid Trainings

Training fee is waived for providers caring for families in Carroll, DeKalb, Lee, McHenry, Ogle, or Whiteside counties. Reimbursement is available for providers taking CPR/First Aid outside of 4-C. See guidelines on the training calendar page of our website.

To register, providers are required to have a current 4-C membership.

All CPR/First Aid Trainings offered by 4-C qualify for both CCAP Health and Safety Training Hours and CCAP Health and Safety Orientation
